### Family Impact Statement

*Please provide an analysis of the impact of the regulatory action on the institution of the family and family stability including to what extent the regulatory action will: 1) strengthen or erode the authority and rights of parents in the education, nurturing, and supervision of their children; 2) encourage or discourage economic self-sufficiency, self-pride, and the assumption of responsibility for oneself, one's spouse, and*

*one's children and/or elderly parents; 3) strengthen or erode the marital commitment: 4) increase or decrease disposable family income.*

It is not anticipated that these regulation amendments will have a direct impact on families.
